The Fredericktown papers are kicking that the graduating class of the public school sent out of the city for their commencement invitations, despite the fact that both the printing offices of that town had samples before the class. This would not excite any wonder, for it is common all over the state. The experience of the publishers at Fredericktown is but the experience of the publishers at Dexter. The support of the school and past favors of boosting publications for the school cuts a very little figure in such cases.—Dexter Messenger.

### Heart Disease Almost Fatal to Young Girl

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her

bed near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is spared to me today, a fat, rosy

cheeked girl. No one can imagine the confidence I have in Dr. Miles' Heart Remedy." A. H. CANON, Worth, Mo.

The unbounded confidence Mr. Canon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Profit by the experience of others while you may.

Dr. Miles' Heart Remedy is sold and guaranteed by all druggists. MILES MEDICAL CO., Elkhart, Ind.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for full testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists, 75c. Take Hall's Family Pills for constipation.

#### LIVE STOCK REPORT

With packers fighting and taking advantage of the slightest opportunity in the hog trade, it's our opinion that they are loaded up from their winter's buy and with the provision market not working out to their liking, is to our belief the reason they are so hard to get going and the cause of two distinct markets each day.

To-day's supply of 8,500 included 1,500 direct and while order buyers took the good to choice hogs early about steady at \$7.60 to \$7.75, trade soon quieted and it was noon before packers got in and then only when they secured a 10c reduction, securing the bulk of theirs at \$7.50 to \$7.60. Owing to the lack of orders the pig trade was slow and 10c to 15c lower; 110 to 140 pounds selling at \$7.10 to \$7.50; lighter kinds \$6.50 to \$7, with rough hogs at \$6.85 to \$7.15.

The cattle market has boomed this week and to-day's trade shows an advance of 25c over last week's close. Butcher cattle and mixed stuff are as high as they have been at any time. Medium steers are at the high point and they have sold like hot cakes.

Some dandy sheep market to-day. Lambs 15c higher, with best clipped lambs \$9.45; bulk of the good at \$9.15 to \$9.35; heavy kinds \$8.25 to \$8.75, and culls around \$8. Good to choice spring lambs \$10.50 to \$11.50, with culls \$8 to \$9. Sheep strong. Fat kinds selling at \$7 to \$7.25; canners \$2.50 to \$2; choppers \$5 to \$5.50, with fat bucks at \$6.

Sincerely yours,  
National Live Stock Com. Co.
